

Overview

Essentials for Effective Leadership

THE LEADERS WE WANT

YMI LEADERSHIP ROLE MODEL

- ✓ Team workers
- ✓ Self developers
- ✓ Motivators
- ✓ Effective communicators
- ✓ Movement experts
- ✓ Mentors
- ✓ Public relations builders
- ✓ Relationship builders
- ✓ Creative thinkers

Team Workers

Leaders who know how to be part of a team, support and trust each other; who take the time not just to lead but also to be led.

Effective Communicators

Leaders who can effectively communicate with others and on behalf of the organisation

Mentors

Leaders who support the development of others by sharing their past experiences

Relationship Builders

Leaders who can develop strong and genuine connections with others (club members, public, other YMI leaders at all levels)

Self-Developers

Leaders who invest in developing new skills and abilities to better serve the YMI movement and its membership.

Movement Experts

Leaders who know well how YMI works locally and internationally and can “navigate” its structure comfortably and confidently

Public Relations Builders

Leaders who can promote and build a trustworthy image of YMI vis-à-vis all stakeholders.

Creative Thinkers

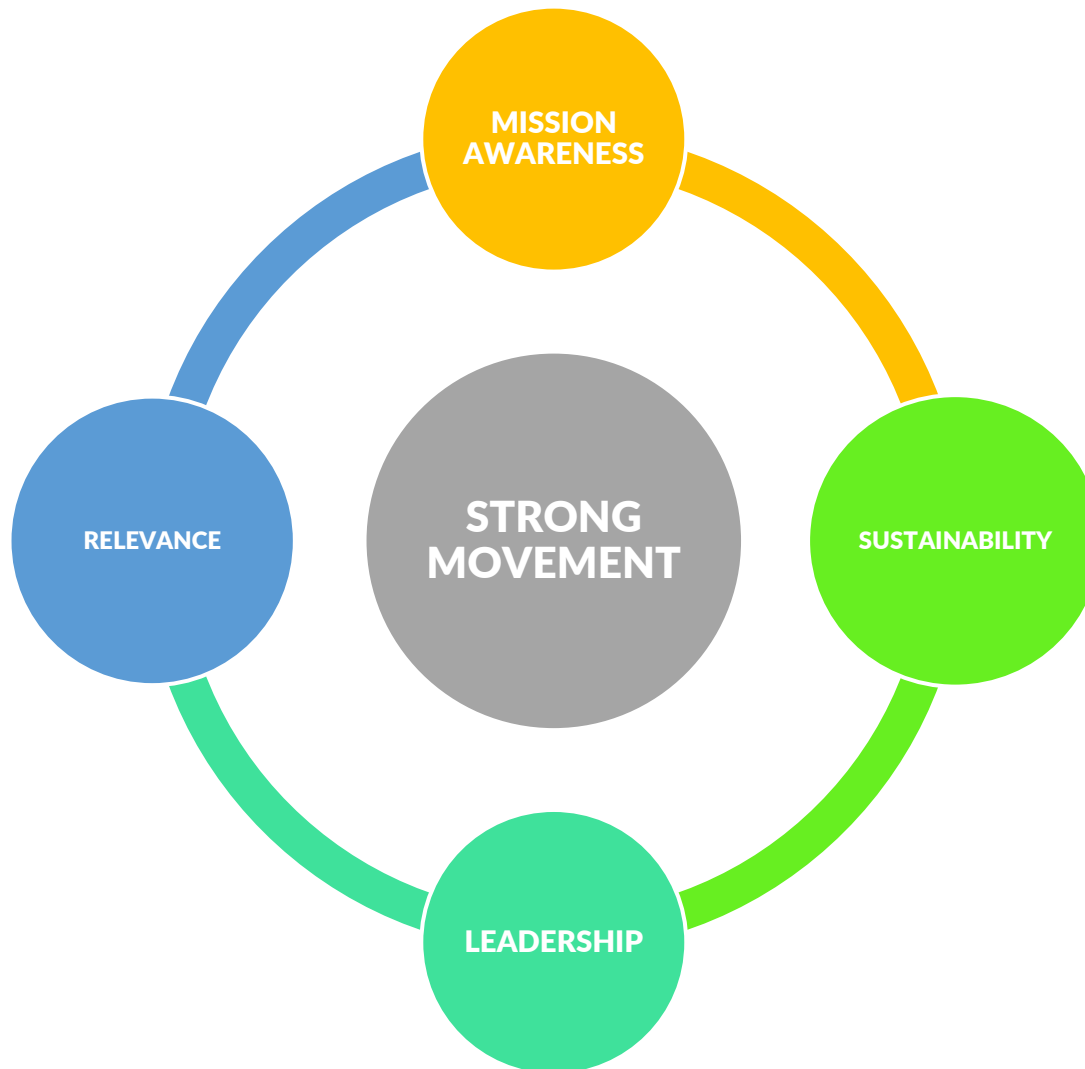

Leaders who can find innovative ways to make YMI strong and attractive for generations to come while keeping the “big picture” in mind.

Motivators

Leaders who can inspire others to engage and act to fulfil YMI's mission and goals.

THE BIG PICTURE OF A STRONG MOVEMENT

KEY POINTS

MISSION AWARENESS

Y's Men International is

- A service club organisation
- An international movement
- A reference in the service and volunteerism
- A strong YMCA partner

SUSTAINABILITY

which ensures its future through

- Good governance
- Attracting, retaining and activating membership
- Contributing to and engaging with the international movement and its global programmes

LEADERSHIP

- Succession planning
- Developing local, regional and global leaders
- Inspiring through example

RELEVANCE

- Its membership is actively engaged.
- Its actions and projects address important community challenges.
- It's a partner of choice.
- It is known and respected for its role in society
